

The 16th International Conference on Web Information System Engineering (WISE 2015)

<http://www.cis.fiu.edu/wise2015/>

Miami, Florida, USA, November 1-3, 2015

The aim of this 16th edition of the conference series on Web Information Systems Engineering is to provide an international forum for researchers, professionals, and industrial practitioners to share their knowledge in the rapidly growing area of Web technologies, methodologies and applications. Previous WISE conferences were held in Hong Kong, China (2000), Kyoto, Japan (2001), Singapore (2002), Roma, Italy (2003), Brisbane, Australia (2004), New York, USA (2005), Wuhan, China (2006), Nancy, France (2007), Auckland, New Zealand (2008), Poznan, Poland (2009), Hong Kong, China (2010), Sydney, Australia (2011), Paphos, Cyprus (2012), Nanjing, China (2013), and Thessaloniki, Greece (2014). The proceedings of WISE 2015 will be published by Springer in Lecture Notes in Computer Science series and the best papers will be recommended for publication in special issues of World Wide Web and other international Journals special issues.

WISE 2015 welcomes all submissions that fall in the domain of Web information systems engineering. Topics of interest include, but are not restricted to:

<ul style="list-style-type: none"> • Big Data Techniques and Applications • Cloud Computing • Deep/Hidden Web • Future Internet Architectures and Protocols • Human Factors and Social Issues • Integration of Web and Internet-connected Objects • Linked Open Data • Mobile Web • Semantic Web • Social Networks Computing • Social Web and Applications • Social Web models, analysis and mining • Visualization for the Web and Rich Web UI • Web Agents and Web Intelligence 	<ul style="list-style-type: none"> • Web-based Applications (e.g., e-Commerce, e-Government, e-earning, etc.) • Web-based Business Processes and Web Services • Web-based Enterprise Systems • Web Big Data Techniques and Mining • Web Data Integration and Mashups • Web Data Models • Web engineering, metrics and performance • Web Information Retrieval • Web Mining and Web Warehousing • Web Privacy Management • Web Search and Information Extraction • Web Security and Trust Management • Web Tools and Languages
---	--

Important Dates

Workshop submission deadline: April 13, 2015
 Research paper submission deadline: May 18, 2015
 Tutorial submission deadline: May 20, 2015
 Notification of acceptance: July 6, 2015
 Conference, Workshops & Related Events: November 1-3, 2015

Submission Conditions

Papers should be submitted in PDF format. The results described must be unpublished and must not be under review elsewhere. Submissions must conform to Springer's LNCS format and should not exceed 15 pages, including all text, figures, references and appendices. Submissions not conforming to the LNCS format, exceeding 15 pages, or being obviously out of the scope of the conference, will be rejected without review. Information about the Springer LNCS format can be found at <http://www.springer.de/comp/lncs/authors.html>. Three to five keywords characterizing the paper should be indicated at the end of the abstract. The type of paper (technical/empirical evaluation/experience/exploratory paper) should be indicated in the submission.

Submissions should be made electronically in PDF format via the Microsoft CMT submission system for the WISE 2015 Conference at <https://cmt.research.microsoft.com/WISE2015>.

Publication

Accepted papers will be presented at WISE 2015 and published in the conference proceedings, which is published in the Springer Lecture Notes in Computer Science (LNCS). Authors elected best papers from the conference will be invited to submit an expanded version for publication in the WWW Journal, Springer.

Organization

Honorary Chairs:

S. S. Iyengar, Florida International University
Marek Rusinkiewicz, New Jersey Institute of Technology

General Co-chairs:

Shu-ching Chen, Florida International University
Tao Li, Florida International University
Yanchun Zhang, Victoria University

Program Co-Chairs:

Jianyong Wang, Tsinghua University
Dingding Wang, Florida Atlantic University
Wojciech Cellary, Poznan University of Economics

Publication Chair:

Hua Wang, Victoria University

Local Arrangement Chairs:

Ivana Rodriguez, Florida International University
Catherine Hernandez, Florida International University

Financial Co-chairs:

Carlos Cabrera, Florida International University
Lian Zhang, Florida International University

Web and Social Media Master:

Steve Luis, Florida International University

WISE Society Representative:

Xiaofang Zhou, University of Queensland, Australia

Tutorial and Panel Co-Chairs:

Guandong Xu, University of Technology Sydney
Mitsunori Ogihara, University of Miami

WISE Challenge Program Chairs:

Weining Qian, East China Normal University, China

Workshop Chair:

Xingquan (Hill) Zhu, Florida Atlantic University

Publicity Co-Chairs:

Mark Finlayson, Florida International University
Giovanni Pilato, Italian National Research Council (CNR)
Yanfang Ye, West Virginia University
