16th International Conference on Web Information System Engineering (WISE-2015)

November 1-3, Miami, FL USA

Call for Workshop Proposals

WISE has established itself as a solid community aiming at high quality research and offering the ground for advancing and progressing efforts in Web information systems addressed topics. Previous WISE conferences were held in Hong Kong, China (2000), Kyoto, Japan (2001), Singapore (2002), Roma, Italy (2003), Brisbane, Australia (2004), New York, USA (2005), Wuhan, China (2006), Nancy, France (2007), Auckland, New Zealand (2008), Poznan, Poland (2009), Hong Kong, China (2010), Sydney, Australia (2011), Paphos, Cyprus (2012), Nanjing, China (2013), and Thessaloniki, Greece (2014). The aim of this 16th edition of the conference series on Web Information Systems Engineering is to provide an international forum for researchers, professionals, and industrial practitioners to share their knowledge in the rapidly growing area of Web technologies, methodologies and applications.

Topic of Interests

WISE-2015 welcomes all workshop proposal submissions that fall in the domain of Web, information systems, data analytics, and knowledge and data engineering. The decision on acceptance/rejection of workshop proposals will be made on the basis of the overall quality of the proposal, its appeal to a viable fraction of the Web community as well as how it fits in with the conference.

Submission

Submissions may be made by e-mail in PDF format with subject title "WISE-2015 Workshop Proposal". Workshop proposals should include following information:

- The title of the workshop.
- The names and addresses of the organizers, and a designated contact person.
- Brief description of the workshop, including abstract, objectives, relevance, and expected outcome.
- Tentative program committee members and speakers etc., if applicable.
- A description of the plans for workshop (e.g., program, keynotes, highlights, etc.).
- The expected number of attendees and the expected length of the workshop.
- A brief description of past versions of the workshop, if applicable, including dates, organizers, sites, and any other relevant information.

Workshop proposals should be e-mailed in plain text or as a PDF to Xingquan Zhu (*xqzhu@cse.fau.edu*) and Yicheng Tu (*ytu@cse.usf.edu*) before April 28, 2015. Each proposal will be reviewed immediately after it is received.

Important Dates

Workshop Proposal Submission Due Date: April 28, 2015
Workshop Notification of Acceptance: May 5 2015
Workshops Date: November 1 2015.

Support

WISE workshop papers will be published by Springer in Lecture Notes in Computer Science series. WISE-2015 will provide administrative support in the areas of registration, hotel meeting rooms, and publication of the workshop proceedings in Springer. Each workshop will receive one complementary WISE registration, given that the workshop receives five or more registrants.
